

Sravan Mandumula

Namaste everyone,

I have been an Iowa resident for little over 22 years and I have been blessed to be part of this temple since its initial opening in March of 2003. Since then I was a regular Devotee, Volunteer and also Board Member for the last 6 years(2 terms).

This temple has been a key part for the Indian community as they come and settle in Iowa, including our family. Over the years, I continued to help improve processes, procedures and facilities at the temple and took an active part in defining future strategy and goals. Future goals include successful completion of cultural center, bringing back the Vimana gopuram, Dwaja stamba pratishthapana and many more such as bringing operational efficiencies, streamline tours for visitors, etc.

For all the goals to be accomplished, I'm interested in continuing on the board and request you all to support in electing me for the board.
