

## Yogeshwara Gonchigar for HTCC Board (2025)

Hello, I am Yogeshwara Gonchigar residing in Des Moines since March 2006. I moved here for work from India and have been living here. Since then, we have been a regular volunteer at the temple.

My wife Pragnya teaches Indian classical dances Bharatanatyam and Kuchipudi. She has been a volunteer too at the temple and participates in various cultural programs, food service and other activities along with our kids for the HTCC.

I joined the HTCC board in 2019 for the first time. I currently serve as the HTCC - Executive Committee President taking care of all the operations and working with other committees. Previously held Treasurer role managing the budget, income/expenses, member donations and donation tracking, etc.

I would like to continue my services to the temple with all your support and continue my volunteering with the upcoming cultural center and other services at the HTCC.

**I am currently running for my third term and would request for your vote!**
