A CANDIDATE FOR HTCC BOARD
(FOR APRIL 2026 ELECTION CYCLE)

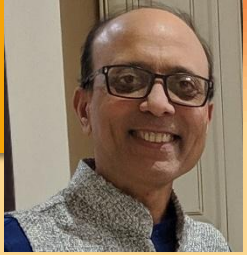

Who am I?

- ▶ I am just another community member who finds personal satisfaction while serving as a temple volunteer in any capacity.
- ▶ I have enjoyed meeting and working with many community members and make friends to share common objectives for the temple, cultural center, socialization, or hobbies along the way.
- ▶ I tend to think about a problem or opportunity by defining clear objectives and goals, then translate into tasks; this helps improve the management, for future efficiency and sustainability.
- ▶ I live in Ames: wife-Rupal, son-Jay, daughter-Jinal and mother-in-law-Hemlata.
- ▶ I have been in Iowa since 1987 (is that too long?), and seen the temple created from the vision and hard work of the founding families; now supporting a significantly larger community.

Why I am a candidate for HTCC Board?

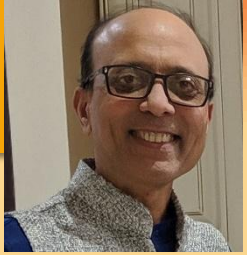

- ▶ With the help of *MANY* others, I have been able to invest major part of my time and skills towards the design and execution of the IHCC facility.
- ▶ While we have made tremendous progress on IHCC, my responsibility is not done; a continued full focus is needed.
- ▶ I truly believe in, and have enjoyed, the diversity of our community and the strength each of us and the sub-communities bring.
- ▶ I need to continue to lead or co-lead efforts to outreach to the county, state and federal offices for the current Destination Iowa and Security Enhancement grants, and seek new grant funding opportunities.

My Plan for the Next 3 Years

Stay focused on IHCC – with the help of other leaders and volunteers

- ▶ **Help complete the IHCC facility for its full functionality and then transition into successful operations for a variety of uses.**
- ▶ **Assist in fundraising for the long-term projects and improvements**
- ▶ **Continue to seek, recruit, and work with volunteers to find the best match for their passion, availability, and their skills to the tasks needed. Please contact me even if you have the desire but are not sure what you can contribute.**
- ▶ **Continue to help develop a framework for data, members, communication material and channels (website, social media, newsletters, emails, IHCC-branded flyers, posters).**
- ▶ **Develop and implement an effective policy for operations and maintenance of the IHCC facility and its programming.**
- ▶ **At any time, be a responsible board member OR volunteer with integrity and execution.**
